### SQUEEZE PLAY WON FOR WESTERL'

Marra Let up in Ninth-Hospital Found Lafayette Easy -Games in the Other Leagues.

SATURDAY BASEBALL GAMES.

Westerly worked hard every second of the game to win from Norwich on Saturday afternoon in the Rhode Island-Connecticut league, which was accomplished in the ninth inning by a score of 3 to 2.

The sides were retired in one, two, three fashion up to the fourth inning, when both teams secured one run. The score remained a tie until the sixth, when Norwich got another run over the plate, which looked to be a winner until the ninth inning came. Up to this inning Marra had pitched an excellent game, but the Westerly boys commenced to work the squeeze play and it was all off with Marra. It imappened just this way. Jack Payne, the first man up in the ninth, beat out a bunt. Noyes repeated the trick and advanced Payne to second. A wild throw by the catchet to third base gave Payne third base and he came home on Loxon's single. Noyes showed hig heels to second and was safe on third. Loxon stole second. With no one down, Bryer came to bat and laced out a pretty two bagger and Noyes came sailing home with the winning run.

Marra was given a hard beating in
the ninth inning, and had the ninth

well, but was touched quite often.
He was backed by excellent fielding

SATURDAY MARKETS.

Trading Dull-Small Gains and Losses

Mingled.

New York, July 17—10.16 a. m.— There was no well defined tone in the opening stock market. Small gains and losses were mingled and the trad-ing was dull. One thousand shares of United States Steel sold unchanged to 1-8 higher than last night. Louisville and Nashville and Republic Steel pre-ferred rose 1.

and Nashville and Republic Steel preferred rose 1.

11 a, m.—United States Steel fell into the background as a feature, first place being taken by Union Pacific, which made a rapid and sensational rise of 3 1-4 to 197 3-4. The jump in the stock was attributed in part to a squeeze of the short interest. Other railroad stocks were strong, but there was little change in the specialties. United States Steel touched 73, American Ice gained 2 and Reading 1 1-2. Nashville, Chattanooga and St. Louis declined 3.

Closing.—The market closed irregular. Union Pacific touched 198 1-4 and Southern Pacific was run up 1 1-2, but the United States Steel stocks were pushed for sale, the preferred losing 1 and the common receding to 72. These conflicting movements kept the market confused.
